This Report is brought to you for free and open access by the College of Health Sciences at ODU Digital Commons. It has been accepted for inclusion in College of Health Sciences Reports and Documents by an authorized administrator of ODU Digital Commons. For more information, please contact digitalcommons@odu.edu.
College of Health Sciences
State of the College Address:
*Sailing Into the Future*

Shelley C. Mishoe, Dean
August 24, 2012
New Faculty Introductions
Old Dominion University
College of Health Sciences
Dr. Steven Becker, Professor
Joins us from the University of Alabama at Birmingham, School of Public Health as Professor and Director of Disaster & Emergency Communication Research Unit, Department of Environmental Health Sciences as professor and associate director for the MPH Program.

Dr. Maureen Boshier, Visiting Associate Professor
Joins us from EVMS, School of Public Health as an Assistant Professor and additionally serves as a Consultant to Excelsior College, technical consultant to WENY documentary “Inside the Nursing Crisis” produced for public television; consultant to TCS Education System.
Ms. Denise Claiborne, Lecturer

Received her Bachelor and Master of Science in Dental Hygiene and Bachelor in Psychology degrees from Old Dominion University. Has taught pharmacology and clinical dental hygiene at Thomas Nelson Community College as an adjunct Assistant Professor. Currently working on several publications on the effects of low temperature atmospheric pressure plasma on tooth whitening, common medications that cause xerostomia, and a book chapter on the dental practice environment.
School of Physical Therapy

Dr. Lisa Koperna, Clinic Director/Lecturer of Physical Therapy
Owner and Physical Therapist of Accelerated Physical Therapy in Virginia Beach, adjunct assistant professor for the School of Physical Therapy, and in addition received a Bachelor and Masters from Old Dominion University

Athletic Training:
Dr. Bonnie Van Lunen, Associate Professor and Dr. Matthew Hoch (HOKE), Assistant Professor both join us from Human Movement Sciences in the College of Education. Dr. Van Lunen has been with ODU since 1999. She is Graduate Program Director for Athletic Training and has extensive research in mechanisms and rehabilitation of lower extremity injuries. Dr. Hoch is beginning his second year of teaching at ODU. His research focus is chronic ankle instability.
School of Nursing

Dr. Deborah Gray, Lecturer

Received her Doctor of Nursing Practice in May 2012 from Old Dominion University and has served as a Graduate Teaching Assistant in both the Doctorate and Masters Programs, Old Dominion University
Dr. Roy Ogle, Professor and Chair

Received his PhD from UVa and held numerous academic appointments there and at MUSC. Since 2009, he has been an Adjunct Professor in the College of Health Sciences, Old Dominion University and Adjunct Professor at Eastern Virginia Medical School. He is the recipient of over 42 research grants, holds several patents (2 issued, 7 pending), and has authored 129 peer-reviewed publications and the textbook, Craniofacial Surgery: Science and Surgical Technique. He has served on many federal and state advisory committees and review panels and testified at the US Senate Hearings on the NIH budget and embryonic stem cell research. Dr. Ogle joins us from LifeNet Health, Virginia Beach serving as their Director of Cell Therapy and Chief Scientific Officer.
Grant Writer

Dr. Coryce Haavik

Recently has served as a grant consultant for several health sciences groups as well as spent six years at the University of Botswana in the roles of Dean, School of Graduate Studies and Deputy Director for Institutional Research.
Mission

Improve individual and community health by advanced professional education, influential research, and responsive service.
Smiles, Laughs and Cheers
COHS Vision

To advance healthcare education and research through interdisciplinary and global connections.
COHS Values

- Partnership
- Excellence
- Inclusiveness
- Integrity
“We cannot direct the wind, but we can adjust the sails.
--Bertha Calloway
COHS Goals

Goal 1- Provide students with knowledge, values, and skills to achieve excellence in health care.

Goal II- Develop experiential learning.

Goal III – Accelerate research and development of new knowledge for health care improvement.

Goal IV- Create an environment for inspiring learning experiences.

Goal V – Develop a global health view and offer international health experiences.

Goal VI – Expand partnerships with the community.
COHS By the Numbers

#1

COHS COMMUNITY ENGAGEMENT
AT HOME AND ABROAD
Meeting healthcare needs of communities we serve (workforce, continuing education, clinical and consultative services, health education)

Seeking new practice opportunities aligned with institutional initiatives

Leadership roles internal and external to ODU
Strengthen Strategic Alliances

Organizational Partners
Biotechnology Businesses
Give Kids A Smile
LifeNet
Military-Army and Navy
Operation Smile
Physicians for Peace
Virginia Beach Clinic
Virginia Business Coalition on Health
Many others

Academic Partners
EVMS
Northern Virginia Community College
Shenandoah University
Over 100 clinical affiliates
Numerous Public Health Partners
Community Outreach

Students and Faculty volunteer in the soup kitchen at Norfolk’s First Presbyterian Church, the American Heart Association Walkathon, Physicians for Peace, Operation Smile, Public Schools and Health Systems, Relay for Life, Jingle Run for Arthritis Association, American Red Cross Blood Drives, Beach Clinic, Pankey Dental Clinic, and more.
Monarch Physical Therapy

Director, Dr. Lisa Koperna
Team ODU-QEP
Center for Global Health
Dr. Barbara Greenberg

Professor Greenberg has her MSC in International Health and her PhD in Immunology and Infectious Diseases/Epidemiology from Johns Hopkins University. She also has completed Graduate Epidemiology Certificate Programs at the University of Michigan in Survival Analysis, at John Hopkins in Longitudinal Analysis and Genetic Epidemiology, and at the European Educational Program in Epi, Italy in Genetic Epidemiology Design and Analysis. She is joining us from the University of Medicine and Dentistry in New Jersey.
INTERNATIONAL CONNECTIONS & PARTNERSHIPS

Jordon University of Science and Technology
Kantipur Dental College
Kaohsiung Medical University
ODU-Germany Study Abroad Partnership
The University of Botswana
Universidad Catolica
University of Nicaragua-Leon
Additional partners in central America, South America, Africa and Asia
Explore Strategic Approaches to Major Challenges

Resources
Growth
Key Initiatives
“A sailor without a destination cannot hope for a favorable wind.

--Leon Tec, M.D.
Strategic Priorities

- Conduct Faculty Searches: Center, MLRS, SCEH, Nursing
- Enhance communications: monthly newsletter, update webpages
- Expand and develop partnerships for global health, public health
- Obtain Approvals to offer the MS Program in Athletic Training and PhD Program in Health Sciences
- Focus on major gifts and the annual campaign
- Seek opportunities for workforce and economic development
- Explore college-wide strategies to engage alumni
- Implement a strategy to address faculty-diversity, nursing shortages, workload, promotion and tenure
- Expand interdisciplinary education
Sailing into the Future

- Build on Past Accomplishments
- Strengthen Strategic Alliances
- Form New Partnerships
- Adopt Strategic Approaches to Major Challenges
- Focus on Key Initiatives
“I find the great thing in this world is not so much where we stand, as in what direction we are moving: To reach the port of heaven, we must sail sometimes with the wind and sometimes against it - but we must sail, and not drift, nor lie at anchor.”

-- Oliver Wendell Holmes
