

Instructions to Authors

All manuscripts and correspondence should be sent to the Editor (wwieland@umw.edu). The Virginia Journal of Science welcomes for consideration original articles and short notes in the various disciplines of engineering and science. Cross-disciplinary papers dealing with advancements in science and technology and the impact of these on man and society are particularly welcome. Submission of an article implies that the article has not been published elsewhere while under consideration by the Journal.

Submit manuscripts in electronic form as an MS Word OR WordPerfect file. Tables and figures should NOT be embedded within the body of the manuscript. Place tables and figures after the Literature Cited. Authors should submit names of three potential reviewers. All manuscripts must be double-spaced. **Do not** use special effects such as bold or large print.

The title, author's name, affiliation, address and e-mail should be placed on a cover page. An abstract (not to exceed 200 words) summarizing the text, particularly the results and conclusions, is required. The text should follow the general format used by professional journals in the author's discipline and the Virginia Journal of Science has an on-line style manual. In-text references should follow the name-year format: (McCaffrey and Dueser 1990) or (Williams et al. 1990). In the Literature Cited section at the end of the article, each reference should include the full name of the author(s), year, title of article, title of journal (do not abbreviate), volume number and first and last page of the article. For a book, include author(s), year, title, pages or number of pages, publisher and city of publication. Examples:

McCaffrey, Cheryl A. and Raymond D. Dueser. 1990. Plant associations of the Virginia barrier islands. *Va. J. Sci.* 41:282-299.

Spry, A. 1969. *Metamorphic Textures*. Pergamon Press, New York. 350 pp.

Each figure and table should be mentioned specifically in the text. All tables, figures and figure legends should be on a separate pages at the end of the text.

Multiple author papers are required to have a statement in the acknowledgments indicating the participation and contribution of each author.

After revision and prior to final acceptance of an article, the author will be required to furnish publication-quality files in TIFF or JPEG format of all figures. Keep in mind the page size of the journal, 6 x 9 in (152 x 228 mm), in constructing tables and figures. An error-free copy of the manuscript in acceptable format is also required.
