Questions We Had to Ask Ourselves:

• What do you want the website to accomplish?
• Who is the target audience?
• What is the site’s primary goal?
• Are there any features you think would be useful for your audience?
• What design elements should be consistent across your site?
• What metrics to measure success?

**PROGRAM OF EVENTS**

**Monday, March 22nd at 1pm**

**FRANK GUIDA & THE NORFOLK SOUND**

*Presented by Madeline Dietrich, MM, MM/MLIS*

This presentation explores the period between 1959 and 1963 in Norfolk music history when local record maker Frank Guida produced several hit singles which made the Billboard Hot 100, including songs by Gary U.S. Bonds and Jimmy Soul.

Madeline Dietrich works in ODU Library’s Special Collections and University Archives under the title Music Special Collections and Research Specialist where she processes new collections and performs research in selected existing collections. She also works as a freelance bassist in the Hampton Roads area.
