To the Class of 1980

Welcome to Old Dominion University and to what we hope will prove to be one of the most exciting chapters of your life!

As you quickly become an active member of our campus, we hope that this publication will be useful and informative in acquainting you with not only other members of your class, but with the university community as a whole.

This is the first Freshman Register to be published on the ODU campus, and we appreciate your cooperation with the publisher over the summer. Knowing that many of you have worked on your high school yearbook staffs, we invite you to assist us in producing future student registers.

If you are interested in becoming involved with any of the various activities of the student government, including the student registers, please come by the Student Caucus Office located on the second floor of Webb Center or call 489-6639.

I join with the members of the Student Caucus in wishing you a successful year, and hope that you will enjoy your 1976-77 Freshman Register.

Sincerely,
Karen Scherberger
Student Body President
Students capturing relaxing moments in between hectic class schedules.
Nick DeRose, 1975 Danceathon chairman.
